# WE BELIEVE IN GIVING PEOPLE A SECOND CHANCE

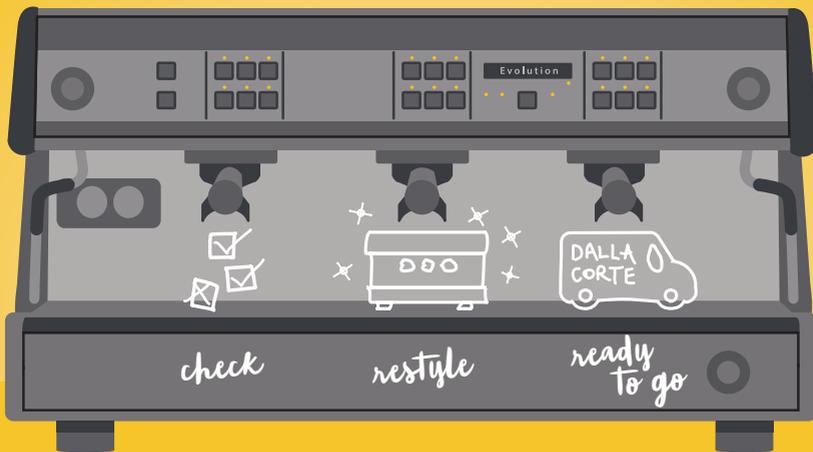

How can a coffee machine restyling create new **opportunities, new occasions** to give ourselves a **challenge**, new possibilities to be aware of our strengths and talent?

The **Second Chance Project**, thanks to the fruitful cooperation with Bollate Penitentiary, expresses our desire to do something special and socially useful.

Life continuously offers us occasions to improve ourselves, to do our best, to show our potentialities, a boost in confidence and big satisfaction for what we accomplish.

**This is our challenge: share our competences to improve other people lives.**

Our classic Evolution coffee machines can have a second life thanks to the commitment and dedication of Bollate Penitentiary's inmates.

# OUR GOALS

Manual labor jobs increase self-esteem, teach self-discipline, order and patience, fundamental basis to look for a good job.

By providing **professional training courses** and teaching **sectorial competences**, we want to offer the possibility to build a brand new life, filled with future great expectations.

Our special team will learn how to revision coffee machines, replace spare parts, learn all the related technical matters and, for sure, prepare excellent espressos! They will **check** your old Evolution, carefully **restyle** it with new components and we will send it back **as good as new**. Even better.

The replacement of old components with **lead free** parts is perfectly in line with current regulations and our **green policy**.

**Take the opportunity** to increase your commercial activities, the number of your customers and, as well, to do something really special.

# DC SECOND CHANCE

A woman with dark hair, wearing a dark dress, is seen from the side, working behind a bar. The background is dimly lit, showing various bottles and bar equipment. A large, vibrant yellow brushstroke graphic is overlaid across the image, partially obscuring the woman's face and the bar area. The text "brand new" is written in a white, cursive font, and "YOUR CLASSIC EVOLUTION" is written in a bold, dark blue, sans-serif font, both centered over the yellow brushstroke.
