## DETAILS

### CONSISTENT EXTRACTION

Patented multi-boiler technology allows you to set the temperature within 0.1 degrees Celsius, helping you find your sweet spot.

### FUNCTIONAL

Features a 54 mm portafilter, ergonomic handle, and precise milk-frothing. The EVO2 is compatible with the Grinder Control System (GCS).

### EFFICIENCY

Independent groups enable you to switch off unused brewing groups or the boiler, ensuring optimal thermal stability and efficiency.
